"Transformed by God's Grace"

Transformation is possible, even while we are works in process. Our walk of faith isn't about completion and the satisfaction of a job well done; it is about a journey of discovery and transformation. It is a journey on which we experience the wonderful grace of Jesus as we work towards what we hope to be.

Whether you worship with us on Zoom or on You Tube we are happy you are a part of our church family.
