

# Epiphany

## **Worship on the 1st Sunday After Epiphany & The Baptism of our Lord**

**Sunday, January 9, 11:00 a.m.**

**"Forward in Faith, Covered and Strengthened by God"**

As we gather for worship have caught a glimpse of something, and we come to celebrate and to lean with hope. Epiphany is about the revealing of the light to the world. A light we hope all will see and glorify Jesus. In worship we also celebrate the baptism of Jesus and also celebrate our own baptism as children of God. Let us worship and be blessed by the power of God's grace.

Whether you worship with us on Zoom or on You Tube we are happy you are a part of our church family.
